# Your gift. Changes lives.

## Happy Jonas

Age 16, Grade Junior

---

"Zozu Project has given me something I never had before—hope."

---

My name is Happy Jonas, and I am 16 years old, currently in Senior Three. I'm proud to serve as the Head Boy of Solid Rock High School for the academic year 2024.

I joined Zozu Project in 2015 with my mother's help. But that same year, my parents separated, and I went to live with my father, who has five children. Before joining Zozu, life was a constant struggle. I was often sent home from school because we couldn't cover the expenses, and at times, we lacked even the basics, sometimes going to bed hungry.

Being sponsored changed my life and my family's future. My sponsor has covered my tuition, allowing me to stay in school. The generous gifts from my sponsors have also helped provide for our daily needs. But more than that, Zozu Project has given me something I never had before—hope. It has inspired me to dream bigger and reach further than I ever thought possible.

Now, I am determined to become a petroleum engineer and a businessman so I can give back to others and break the cycle of poverty for my family and my community.

## Sarah Pasca Kakule

Age 15, Grade Junior

---

"from feeling invisible to  
becoming someone with a  
purpose"

---

Seeing the doors to my future opening fills me with joy and hope. My name is Sarah Pasca Kakule, and I am honored to be the Head Girl of Solid Rock High School for 2024. It feels incredible to reflect on my journey—from feeling invisible to becoming someone with a purpose.

When I was just one year old, my mother passed away. Despite my father's hard work, he couldn't afford even the most basic schooling for us, leaving us without the education we needed. That's when Zozu Project stepped in. It was a blessing that completely transformed my life, giving me the opportunity for an education we never thought possible.

I joined Zozu Project in 2023, and since then, I have been given not only the gift of a free and safe education but also spiritual growth through church, and financial support for my family. The impact has been life-changing, bringing hope to our home and helping us build a brighter future.
